Government Order No. D. 7513-22—A. & E. 162-29-2, dated the 31st December 1929, sanctioning, subject to certain conditions, the sale of young bulls of about three years of age on the Cattle Breeding Station for breeding purposes at a flat rate of Rs. 200 a head during 1929-30.

2. Government Order No. D. 4815-24—A. & E. 85-30-4, dated 1st November 1930, sanctioning the continuance of the scheme of selling young bulls referred to in the Government Order read above on the same conditions up to the end of June 1931.

3. Government Order No. D. 1716-25—L. & A. 6-31-2, dated 24th September 1931, sanctioning the continuance of the scheme referred to above during the year 1931-32 also on the same conditions.

4. Letter No. R. O. C. 496 of 31-32, dated 3rd February 1932, from the Director of Agriculture in Mysore, recommending, for reasons given, the distribution of breeding bulls to Village Panchayets on certain conditions.

ORDER NO. D. 4130-9 L. & A. 6-31-6, DATED 17TH FEBRUARY 1932.

The Director reports that he has approached all the District Boards with reference to the possibility of their granting subventions to Village Panchayets but fears that there may be some delay in the settlement of the matter in view of the financial position of the Boards. The distribution of bulls to the Village Panchayets, however, he states, has on the whole been successful, and recommends that the bulls may, as a very temporary measure, be permitted to be handed over to Village Panchayets on payment of their contribution of Rs. 100 plus transport charges, pending payment of subventions by the District Boards. In the circumstances, Government are pleased to sanction the recommendation of the Director of Agriculture. Government agree with the Director that the price fixed should be kept at Rs. 200 per bull under ordinary conditions. The Director is requested to address the District Boards concerned for granting subventions, have the matter settled early, and report the fact to Government.
